FURLONGS FESTIVAL 2017: WELCOME!

Once again the Residents Association of Sutton-on-Sea is able to welcome you to this celebration which is now so firmly fixed in our yearly calendar & which year by year is growing in popularity.

It is a joy for me personally to work with such a team of enthusiastic volunteers who have one aim on which we see eye to eye: to make Sutton-on-Sea a place that is a delight for those who have made it their home & also for the many visitors for whom our village has become part of their family story.

Please visit our information caravan. It is near where, with the help of Coastal FM, the Festival announcements are being made. As well as delivering our magazine TROVE to all homes in our village we have an *e-mail list*. Through this we let our members know up to the minute info. Remember too that the more signed up members we have the more we are able to do for our community here.

Our next event will be a **Coffee Morning at 10am on September 2nd at the Meridale...** and that's the day of our **CAR TREASURE HUNT**. No rush: pick up the clue sheet over the coffee & then start exploring!
